MEMORANDUM FOR THE RECORD

Mr. Pforzheimer hand-carried to me in the afternoon of 16 January 1963, the attached galley proofs of Mr. Allen W. Dulles' "Intelligence Comes of Age." He said the chapter on the cold war in the manuscript we had reviewed had been eliminated; that there has been no substantive changes, just a little smoothing of the writing; and that [REDACTED] of 25X1A CIA is flying to Cincinnati, Ohio, tonight with this galley proof so the printing may get under way.

I asked Mr. Pforzheimer to get us a second copy.
